To the Chairman of the Board of Directors Independent Gaming Corporation Limited

Opinion

I have audited the financial report of the Independent Gaming Corporation Limited (the Company) for the financial year ended 30 June 2021.

In my opinion, the accompanying financial report of the Independent Gaming Corporation Limited is in accordance with the *Corporations Act 2001*, including:

- a) giving a true and fair view of the Company's financial position as at 30 June 2021 and its financial performance for the year then ended; and
- b) complying with Australian Accounting Standards and the Corporations Regulations 2001.

The financial report comprises:

- an Income Statement for the year ended 30 June 2021
- a Statement of Comprehensive Income for the year ended 30 June 2021
- a Statement of Financial Position as at 30 June 2021
- a Statement of Changes in Equity for the year ended 30 June 2021
- a Statement of Cash Flows for the year ended 30 June 2021
- Notes, comprising significant accounting policies and other explanatory information
- a Directors' Declaration.

Basis for opinion

I conducted the audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial report' section of my report. I am independent of the Independent Gaming Corporation Limited in accordance with the auditor independence requirements of the *Corporations Act 2001*. The *Public Finance and Audit Act 1987* establishes the independence of the Auditor-General.

I confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Independent Gaming Corporation Limited, would be in the same terms if given to the directors as at the time of this auditor's report. In conducting the audit, the relevant ethical requirements of APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* have been met.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the directors for the financial report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001*, and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

As required by section 75 of the *Gaming Machines Act 1992*, I have audited the financial report of the Independent Gaming Corporation Limited for the financial year ended 30 June 2021.

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors
- conclude on the appropriateness of the Company's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusion is based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern
- evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

My report refers only to the financial report described above and does not provide assurance over the integrity of electronic publication by the entity on any website nor does it provide an opinion on other information which may have been hyperlinked to/from the report.

I communicate with the directors about, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during the audit.

Andrew Richardson

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1 COMPANY DETAILS

The Independent Gaming Corporation Limited is a company limited by guarantee. It is incorporated and operates in South Australia. The registered office and principal place of business is located at 80 Greenhill Road, Wayville SA 5034.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

The financial statements are general-purpose financial statements, which have been prepared in accordance with the *Corporations Act 2001*, and Australian Accounting Standards, including Australian Accounting Interpretations. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the Australian Accounting Standards Board has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions.

The financial statements were approved by the Board of Directors on the 27 August 2021.

Basis of Preparation

The financial statements have been prepared on a going concern basis. IGC's strong cash reserves will underwrite the on-going financial viability of the company. The coronavirus outbreak and COVID-19 has not affected IGC's ability to continue as a going concern and ability to pay its debts as and when they become due.

The company's Income Statement, Statement of Comprehensive Income, Statement of Financial Position and Statement of Changes in Equity have been prepared on an accrual and historical cost basis. The Statement of Cash Flows has been prepared on a cash basis.

These financial statements, which include the above-mentioned statements, have been prepared based upon a twelve month operating cycle and presented in Australian currency.

In the application of the company's accounting policies, which are described herein, management is required to make judgments, estimates and assumptions about the reported amounts of assets, liabilities, incomes and expenses. Actual results may differ from these estimates. Estimates and assumptions are reviewed on an ongoing basis and any revisions to accounting estimates are recognised in the period in which the estimate is revised.

Accounting Policies

(a) Goods and Services Tax

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except:

- (i) when the amount of GST incurred is not recoverable from the Australian Taxation Office, it is recognised as part of the cost of acquisition of an asset or as part of an item of expense or
- (ii) for receivables and payables which are recognised inclusive of GST.

Cash flows are included in the Statement of Cash Flows on a gross basis. The GST component of cash flows arising from investing and finance activities, which is recoverable from, or payable to, the Australian Taxation Office is classified as operating cash flows.

(b) Leases

The Company has adopted AASB 16 Leases from 1 July 2019. Right-of-use assets and lease liabilities are not recognised for leases of low value assets, being assets which have a value of \$15 000 or less, nor short-term leases, being those with a lease term of 12 months or less.

(c) Capital Replacement Reserve

The purpose of the Capital Replacement Reserve is to enable the accumulation of sufficient funds for the replacement of the Gaming Machine Monitoring System, associated hardware and software without excessive borrowings.

(d) Financial Instruments

The company's financial instruments consist of deposits at bank, accounts receivable and other debtors, accounts payable and other payables. The company does not have any derivative instruments as at 30 June 2021.

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instrument. Financial instruments are initially measured at fair value less transactions costs.

Held-to-maturity investments have fixed maturities and fixed or determinable payments, and it is the company's intention to hold these investments to maturity. They are subsequently measured at amortised cost. Receivables and payables are subsequently measured at amortised cost.

(e) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(f) New Accounting Standards

The company has assessed the impact of Australian Accounting Standards implemented, but not yet effective as immaterial.

NOTE 3 INCOME TAX

The Australian Taxation Office in a Private Ruling dated 29 June 2021 granted IGC exemption from income tax up until 30 June 2026.

Non Current Assets

(i) Property, Plant and Equipment

Property, plant and equipment is carried at cost less, where applicable, accumulated depreciation and impairment loss. The carrying amount of property, plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount. The recoverable amount is assessed on the basis of the expected net cash flows, which will be received from the assets' employment and subsequent disposal. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

(ii) Depreciation

Depreciation on property, plant and equipment (excluding land) is calculated on a straight-line basis over their respective useful lives.

The classes of property, plant and equipment and their expected useful lives are as follows:

Class of Fixed Asset	Expected Useful Life Years
Building	50
Plant and Equipment	2 – 7
Monitoring System	5 - 10
Office Fit-out	10

The assets' useful lives are reviewed, and adjusted if applicable, at each annual reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the income statement.

Carrying amount at 30 June 2021	<u>5,775,593</u>

Intangible Assets

(i) Intangibles – Computer Software

Computer software is recorded at cost. Computer software has a finite life and is carried at cost less any accumulated amortisation and impairment losses.

(ii) Amortisation of Intangible Assets

Amortisation on intangibles is calculated on a straight-line basis over their respective useful lives. The estimated useful life is between three and ten years. It is assessed annually for impairment.

NOTE 13 CAPITAL WORKS IN PROGRESS

(i) Salaries and Wages, Annual Leave

A liability is recognised in respect of benefits relating to accrued salaries and wages, annual leave (and related on-costs) arising from services rendered by employees to balance date.

These benefits are anticipated to be settled within one year and are measured at the amount expected to be paid when the liability is settled.

(ii) Long Service Leave

Liabilities arising in respect of long service leave expected to be settled within twelve months of balance date are measured at their nominal rates. All other long service leave entitlements are measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date.

Current long service leave reflects the portion of leave expected to be settled within the next twelve months, based on previous experience and known applications for leave. The remaining portion of the long service leave provision is classified as non-current.

(iii) Superannuation

Contributions are made by the company to the employee superannuation fund and are charged as expenses when incurred. The company has no legal obligation to provide benefits to employees on retirement.

NOTE 16 RELATED PARTY TRANSACTIONS

NOTE 19 FINANCIAL RISK MANAGEMENT

The company's financial instruments consist mainly of deposits with banks, short-term investments, accounts receivables and payables.

The total for each category of financial instrument are as follows:

	Note	2021 \$	2020 \$
Financial Assets			
Cash and cash equivalents	6	3,057,859	3,404,005

* Receivables and payables amounts disclosed have excluded amounts relating to rights or obligations that have their source in legislation such as levy recoverables/payables, audit fees, tax equivalents and Commonwealth tax including Goods & Services Tax (GST).

Specific Financial Risk Exposure and Management

The main risks exposed through the company's financial instruments are credit risk, liquidity risk and market risk relating to interest rate risk.

Credit Risk

The company does not have any material credit risk exposure as the major source of revenue is the receipt of monitoring fees. These fees are received weekly which minimises credit risk.

The company has no significant concentration of credit risk exposure to any single receivable under financial instruments.

Liquidity Risk

The company manages liquidity risk by monitoring forecast cash flows. Cash flows realised from financial assets reflect management's expectation as to the timing of realisation. Actual timing may differ from that disclosed.

Market Risk - Interest rate risk

Exposure to interest rate risks arise on financial assets and financial liabilities recognised at the end of the reporting period whereby a future change in interest rate will affect future cash flows or the fair value of fixed rate financial instruments.

Hedging Risk

The systems maintenance agreement with Scientific Games for IGC's GMMS includes a foreign exchange clause which provides for a 10% increase or decrease in maintenance fees should the \$US/\$AUS fluctuate beyond 10% either side of the exchange rate which existed at the time the agreement was executed.

Sensitivity analysis

Due to the nature and value of the financial instruments held by the company, sensitivity analysis has not been provided. Financial instruments are secured at fixed rates and therefore not sensitive to rate variables.

Net Fair Values

The aggregate net fair values and carrying amounts of financial assets and financial liabilities are disclosed in the Statement of Financial Position and the notes to the Financial Statements. The carrying amounts of the following financial assets and financial liabilities as disclosed in the Statement of Financial Position at balance date represent fair value.

Statement of Financial Position Item	Category of Financial Instrument
Cash and Cash Equivalents	Cash and Cash Equivalents
Other Financial Assets	Held-to-maturity Investments (at cost)
Accounts Receivable and Other Debtors	Loans and Receivables
Accounts Payable and Other Payables	Financial Liabilities (at cost)*

*Cost does not materially differ from amortised cost.

NOTE 20 CAPITAL MANAGEMENT

The Board and management effectively manage the entity's capital by assessing the entity's financial risks and responding to changes in these risks.

As at 30 June 2021, the company had no borrowings.

There have been no changes to the strategy adopted by the Board and management to control the capital of the entity since the previous year.

NOTE 21 EVENTS AFTER THE REPORTING YEAR

There are no known events after balance date that affect these financial statements.
