To the Chief Executive Urban Renewal Authority

As required by section 31(1)(b) of the *Public Finance and Audit Act 1987* and section 27(4) of the *Urban Renewal Act 1995*, I have audited the financial report of Riverbank Authority for the period ended 19 July 2018.

Opinion

In my opinion, the accompanying financial report gives a true and fair view of the financial position of the Riverbank Authority as at 19 July 2018, its financial performance and its cash flows for the year then ended in accordance with the Treasurer's Instructions issued under the provisions of the *Public Finance and Audit Act 1987* and Australian Accounting Standards.

The financial report comprises:

- a Statement of Comprehensive Income for the period ended 19 July 2018
- a Statement of Financial Position as at 19 July 2018
- a Statement of Changes in Equity for the period ended 19 July 2018
- a Statement of Cash Flows for the period ended 19 July 2018
- notes, comprising significant accounting policies and other explanatory information
- a Certificate from the Acting Chief Executive Renewal SA and the General Manager Corporate Services Renewal SA.

Basis for opinion

I conducted the audit in accordance with the *Public Finance and Audit Act 1987* and Australian Auditing Standards. My responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial report' section of my report. I am independent of the Riverbank Authority. The *Public Finance and Audit Act 1987* establishes the independence of the Auditor-General. In conducting the audit, the relevant ethical requirements of APES 110 Code of Ethics for Professional Accountants have been met.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the Chief Executive for the financial report

The Chief Executive is responsible for the preparation of the financial report that gives a true and fair view in accordance with the Treasurer's Instructions issued under the provisions of the *Public Finance and Audit Act 1987* and the Australian Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial report

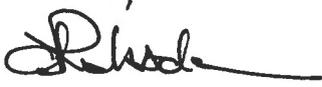

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Chief Executive
- evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

My report refers only to the financial report described above and does not provide assurance over the integrity of electronic publication by the entity on any website nor does it provide an opinion on other information which may have been hyperlinked to/from the report.

I communicate with the Chief Executive about, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during the audit.

RIVERBANK AUTHORITY

Note 1 Objectives of Riverbank Authority

The Riverbank Authority is established as a statutory corporation under the *Urban Renewal Act 1995* by the *Housing and Urban Development (Administrative Arrangements) (Riverbank Authority) Regulations 2014*.

The Riverbank Authority's Board of Management is appointed by the Governor under section 10 (1) of the *Housing and Urban Development (Administrative Arrangements) Act 1995*.

The Riverbank Authority does not employ staff to conduct administrative or operational activities. Instead, the Authority obtains administrative and project delivery support from the Urban Renewal Authority (trading as Renewal SA). A Service Level Administrative Arrangement between the two bodies reflects the services provided to the Riverbank Authority by Renewal SA.

A quorum of the Board was appointed on 18 September 2014, which is the effective date of the commencement of the entity.

The Riverbank Authority oversees the coordination of events, development and promotion of the Adelaide Riverbank and works in partnership with the Department of Planning, Transport and Infrastructure, the Adelaide City Council, Riverbank partners and other State Government agencies.

The dissolution of the Riverbank Authority, established by the *Housing and Urban Development (Administrative Arrangements) (Riverbank Authority) Regulations 2014* was gazetted on 19 July 2018. As per the *Urban Renewal (Riverbank Authority Dissolution) Regulation 2018*, the assets, rights and liabilities of the Riverbank Authority immediately before its dissolution were transferred to the Urban Renewal Authority. The net value of these assets as at 19 July 2018, immediately prior to the transfer, was \$1.798 million (Note 4).

Note 2 Summary of Significant Accounting Policies

2.1 Statement of Compliance

The financial statements have been prepared in compliance with section 23 of the *Public Finance and Audit Act 1987*.

The financial statements are general purpose financial statements. The accounts have been prepared in accordance with relevant Australian Accounting Standards (Reduced Disclosure Requirements) and comply with Treasurer's Instructions and Accounting Policy Statements promulgated under the provisions of the *Public Finance and Audit Act 1987*.

Management has applied Australian Accounting Standards that are applicable to not-for-profit entities, as the Riverbank Authority is a not-for-profit entity.

2.2 Basis of Preparation

The preparation of the financial statements requires:

- the use of certain accounting estimates and requires management to exercise its judgement in the process of applying Riverbank Authority's accounting policies. The areas involving a higher degree of judgement or where assumptions and estimates are significant to the financial statements are outlined in the applicable notes;
- accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events are reported;
- compliance with accounting policy statements issued pursuant to section 41 of the *Public Finance and Audit Act 1987*. In the interest of public accountability and transparency the accounting policy statements require the following note disclosures, which have been included in this financial report:
 - a) board/committee member and remuneration information, where a board/committee member is entitled to receive income from membership other than a direct out-of-pocket reimbursement.
 - b) expenses incurred as a result of engaging consultants.

The Statement of Comprehensive Income, Statement of Financial Position and Statement of Changes in Equity have been prepared on an accrual basis and are in accordance with the historical cost convention.

The Statement of Cash Flows has been prepared on a cash basis.

The financial statements have been prepared to the dissolution date and presented in Australian currency.

The accounting policies set out below have been applied in preparing the financial statements for the period ended 19 July 2018 and the comparative information presented.
