## To the Minister for Primary Industries and Regional Development – Clare Valley Wine Industry Fund

### Qualified opinion

I have audited the financial report of the Minister for Primary Industries and Regional Development – Clare Valley Wine Industry Fund (the Fund) for the financial year ended 30 June 2023.

In my opinion, except for the effects of the possible matter described in the ‘Basis for qualified opinion’ section of my report, the accompanying financial report gives a true and fair view of the financial position of the Minister for Primary Industries and Regional Development – Clare Valley Wine Industry Fund as at 30 June 2023, its financial performance and its cash flows for the year then ended in accordance with relevant Treasurer’s Instructions issued under the provisions of the *Public Finance and Audit Act 1987* and Australian Accounting Standards– Simplified Reporting Requirements.

The financial report comprises:

- a Statement of Comprehensive Income for the year ended 30 June 2023
- a Statement of Financial Position as at 30 June 2023
- a Statement of Cash Flows for the year ended 30 June 2023
- a Statement of Changes in Equity for the year ended 30 June 2023
- notes, comprising material accounting policies and other explanatory information
- a Certificate from the Chief Executive, Department of Primary Industries and Regions (the Chief Executive), signed for and on behalf of the Minister for Primary Industries and Regional Development (the Minister) and the Chief Financial Officer, Department of Primary Industries and Regions.

## **Basis for qualified opinion**

As referred to in note 2.1 to the financial statements, pursuant to regulation 5 of the Primary Industry Funding Schemes (Clare Valley Wine Industry Fund) Regulations 2021, under the *Primary Industry Funding Schemes Act 1998*, contributions are required to be paid into the fund for each tonne of Clare Valley grapes delivered to a Clare Valley Winemaker. While there are adequate internal controls over contributions actually received, there are insufficient controls in place to ensure the contributions received represent the actual tonnage delivered. Consequently, I am unable to express an opinion on whether income recognised as contributions from industry of \$374,830 (\$349,120) is complete.

I conducted the audit in accordance with the *Public Finance and Audit Act 1987* and Australian Auditing Standards. My responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial report' section of my report. I am independent of the Minister and the Department of Primary Industries and Regions which administers the Fund on the Minister's behalf. The *Public Finance and Audit Act 1987* establishes the independence of the Auditor-General. In conducting the audit, the relevant ethical requirements of APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* have been met.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

## **Responsibilities of the Minister and the Chief Executive for the financial report**

The Chief Executive is responsible for the preparation of the financial report that gives a true and fair view in accordance with relevant Treasurer's Instructions issued under the provisions of the *Public Finance and Audit Act 1987* and Australian Accounting Standards– Simplified Reporting Requirements, and for such internal control as the Chief Executive determines is necessary to enable the preparation of the financial report that gives a true and fair view and that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Chief Executive is responsible for assessing the entity's ability to continue as a going concern, taking into account any policy decisions the government has made which affect the continued existence of the entity. The Chief Executive is also responsible for disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the assessment indicates that it is not appropriate.

The Minister is responsible for overseeing the entity's financial reporting process.

## **Auditor's responsibilities for the audit of the financial report**

As required by section 31(1)(b) of the *Public Finance and Audit Act 1987*, I have audited the financial report of the Minister for Primary Industries and Regional Development – Clare Valley Wine Industry Fund for the financial year ended 30 June 2023.

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Chief Executive
- conclude on the appropriateness of the Chief Executive's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify the opinion. My conclusion is based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern
- evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

My report refers only to the financial report described above and does not provide assurance over the integrity of electronic publication by the entity on any website nor does it provide an opinion on other information which may have been hyperlinked to/from the report.

I communicate with the Chief Executive about, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during the audit.

### 1. About the Clare Valley Wine Industry Fund

The Clare Valley Wine Industry Fund (the Fund) is established pursuant to the *Primary Industry Funding Schemes (Clare Valley Wine Industry Fund) Regulations 2021* (Regulations), administered by the Minister for Primary Industries and Regional Development and is controlled by the Crown. The Department of Primary Industries and Regions (PIRSA) provides administrative support services to the Fund.

#### 1.1. Basis of preparation

The financial statements are general purpose financial statements prepared in compliance with:

- section 23 of the *Public Finance and Audit Act 1987*;
- Treasurer's Instructions and Accounting Policy Statements issued by the Treasurer under the *Public Finance and Audit Act 1987*; and
- relevant Australian Accounting Standards applying simplified disclosures.

The financial statements are prepared based on a 12-month reporting period and presented in Australian currency. The historical cost convention is used unless a different measurement basis is specifically disclosed in the note associated with the item measured.

Assets and liabilities that are to be sold, consumed or realised as part of the normal operating cycle have been classified as current assets or current liabilities. All other assets and liabilities are classified as non-current.

The Fund has applied Australian Accounting Standards that are applicable to not-for-profit entities, as the Fund is a not-for-profit entity.

The Fund is not subject to Income Tax. The Fund is liable for Goods and Services Tax (GST). GST collections and payments are carried out by PIRSA on behalf of the Fund. GST in relation to the Fund is reported in the PIRSA Controlled Financial Statements.

**2.2. Interest**

The Fund's deposit account earns a floating interest rate based on daily bank deposit rates. There was no interest earned during 2022 due to Treasury advising public authorities that given interest rates were approximately 0%, no interest would be paid on any interest bearing accounts held with the Treasurer. Interest recommenced being paid in 2023 on cash balances from May 2022.

**3. Key management personnel**

**3.1. Key management personnel**

Key management personnel of the Fund include the Minister for Primary Industries and Regional Development who has responsibility for the strategic direction and management of the Fund.

The Minister's remuneration and allowances are set by the *Parliamentary Remuneration Act 1990* and the Remuneration Tribunal of SA respectively and are payable from the Consolidated Account (via Department of Treasury and Finance) under section 6 of the *Parliamentary Remuneration Act 1990*.

**Transactions with key management personnel and other related parties**

There were no transactions with key management personnel and other related parties entered into by the Fund.

For transfers payable, the payments will be recognised as a liability and expense when the Fund has a present obligation to pay the transfer and the expense recognition criteria are met.

All payments from the Fund are made in accordance with the Fund's Regulations and the management plan developed in consultation with the industry.

All payables are measured at their nominal amount, are unsecured and are normally settled within 30 days from the date of the invoice or date the invoice is first received.

**7. Outlook**

**7.1. Contingent liabilities**

*Refunds of contributions*

Under Regulation 6(1) refunds of contributions paid in respect of Clare Valley grapes delivered during a prescribed period may be claimed by notice in writing to the Minister within the 6 months following that prescribed period.

At the reporting date the possible emergence of valid refund requests within the six months following the prescribed period is present. However, as uncertainty exists as to the number of refund requests that will be received, and their timing and amount, these potential obligations cannot be reliably estimated and therefore represent a contingent liability for the Fund.

Once a valid refund request has been received from a past contributor and it is approved by the Minister or delegate, a present obligation to pay the refund arises. The refund amount is then recognised as a liability and expense of the Fund.

**Liquidity risk**

The Fund's revenue comes from contributions received from industry members at rates prescribed in the Regulations for the Fund. All payments from the Fund are made in accordance with the Fund's Regulations and the management plan developed in consultation with the industry.

The continued existence of the Fund in its present form, and with its present programs, is dependent on State Government policy and the industry's on-going support for the Fund.
