INDEPENDENT AUDITOR'S REPORT

Level 9 State Administration Centre 200 Victoria Square Adelaide SA 5000

Tel +618 8226 9640

ABN 53 327 061 410 enquiries@audit.sa.gov.au www.audit.sa.gov.au

To the Chair Generation Lessor Corporation

Opinion

I have audited the financial report of the Generation Lessor Corporation for the financial year ended 30 June 2025.

In my opinion, the accompanying financial report gives a true and fair view of the financial position of the General Lessor Corporation as at 30 June 2025, its financial performance and its cash flows for the year then ended in accordance with relevant Treasurer's Instructions issued under the provisions of the *Public Finance and Audit Act 1987*, the *Public Corporations Act 1993* and Australian Accounting Standards – Simplified Disclosures.

The financial report comprises:

- a Statement of Comprehensive Income for the year ended 30 June 2025
- a Statement of Financial Position as at 30 June 2025
- a Statement of Changes in Equity for the year ended 30 June 2025
- a Statement of Cash Flows for the year ended 30 June 2025
- notes, comprising material accounting policy information and other explanatory information
- a Certificate from the Chair and the Chief Financial Officer, South Australian Government Financing Authority (SAFA).

Basis for opinion

I conducted the audit in accordance with the *Public Finance and Audit Act 1987* and Australian Auditing Standards. My responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial report' section of my report. I am independent of the General Lessor Corporation. The *Public Finance and Audit Act 1987* establishes the independence of the Auditor-General. In conducting the audit, the relevant ethical requirements of APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* have been met.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the Directors for the financial report

The Directors are responsible for the preparation of the financial report that gives a true and fair view in accordance with relevant Treasurer's Instructions issued under the provisions of the *Public Finance and Audit Act 1987*, the *Public Corporations Act 1993* and the Australian Accounting Standards – Simplified Disclosures, and for such internal control as management determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the entity's ability to continue as a going concern, taking into account any policy or funding decisions the government has made which affect the continued existence of the entity. The Directors are also responsible for disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless the assessment indicates that it is not appropriate.

Auditor's responsibilities for the audit of the financial report

As required by section 31(1)(b) of the *Public Finance and Audit Act 1987* and section 13(3) of the Schedule to the *Public Corporations Act 1993*, I have audited the financial report of the General Lessor Corporation for the financial year ended 30 June 2025.

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

identify and assess the risks of material misstatement of the financial report, whether
due to fraud or error, design and perform audit procedures responsive to those risks,
and obtain audit evidence that is sufficient and appropriate to provide a basis for
my opinion. The risk of not detecting a material misstatement resulting from fraud is
higher than for one resulting from error, as fraud may involve collusion, forgery,
intentional omissions, misrepresentations, or the override of internal control

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the General Lessor Corporation's internal control
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors
- conclude on the appropriateness of the Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify the opinion. My conclusion is based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern
- evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

My report refers only to the financial report described above and does not provide assurance over the integrity of electronic publication by the entity on any website nor does it provide an opinion on other information which may have been hyperlinked to/from the report.

I communicate with the Chair about, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during the audit.

Daniel O'Donohue

Deputy Auditor-General

CERTIFICATION OF THE FINANCIAL REPORT

I certify that:

- the attached General Purpose Financial Report for Generation Lessor Corporation:
 - is in accordance with the accounts and records of the Corporation;
 - complies with the relevant Treasurer's Instructions;
 - complies with relevant accounting standards; and
 - presents a true and fair view of the financial position of the Corporation at the end of the financial year and the result of its operations and cash flows for the financial year.
- Internal controls employed by the Corporation over its financial reporting and its preparation of the financial report has been effective throughout the financial year.

Signed in accordance with a resolution of the Directors.

Timothy Burfield

Notes to and forming part of the Financial Statements for the year ended 30 June 2025

1 Basis of Financial Statements

Reporting Entity

Generation Lessor Corporation (the Corporation) was established on 29 July 1999 as a subsidiary of the Treasurer of South Australia (Treasurer) under Regulations made pursuant to the *Public Corporations Act* 1993.

Pursuant to Ministerial Transfer Orders dated 6 June 2000 and 8 September 2000, all the prescribed electricity assets consisting of certain generating plant and the land on which the generating plant is located, were transferred to the Corporation at book value.

On 26 June 2025, the *Public Corporations (Generation Lessor Corporation) Regulations 2025* came into operation to replace the *Public Corporations (Generation Lessor Corporation) Regulations 2010.*

The principal activity of the Corporation is as lessor of the prescribed electricity assets which are in the nature of certain generation plant and the land upon which the generation plant is located.

The Corporation does not control any other entity and has no interest in unconsolidated structured entities. The financial statements and accompanying notes include all the controlled activities of the Corporation.

Statement of compliance

The financial statements are general purpose financial statements prepared in compliance with:

- section 23 of the Public Finance and Audit Act 1987;
- Treasurer's Instructions and Accounting Policy Statements issued by the Treasurer under the Public Finance and Audit Act 1987; and
- relevant Australian Accounting Standards, applying simplified disclosures.

Basis of preparation

The financial statements are prepared based on a 12 month reporting period and presented in Australian currency. The historical cost convention is used unless a different measurement basis is specifically disclosed in the note associated with the item measured.

The Corporation is classified as a not-for-profit entity for the purpose of preparing the financial statements.

All amounts in the financial statements and accompanying notes have been rounded to the nearest thousand dollars (\$'000). Zero represents amounts less than five hundred dollars, whilst a dash represents a nil balance.

Assets that are to be sold, consumed or realised as part of the normal operating cycle have been classified as current assets. Liabilities that are due to be settled within 12 months after the end of the reporting period or for which the Corporation has no right to defer the settlement for at least 12 months after the end of the reporting period are classified as current liabilities. All other assets and liabilities are classified as non-current.

Notes to and forming part of the Financial Statements for the year ended 30 June 2025

Insurance

The Corporation has arranged, through the South Australian Government Financing Authority (SAFA) to insure all major risks of the Corporation. The excess payable under this arrangement varies depending on each class of insurance held.

Taxation

Income tax equivalent

The Treasurer of South Australia has issued a determination pursuant to the Schedule to the *Public Corporations Act 1993* whereby the Corporation is not subject to Commonwealth income tax equivalents for the period since incorporation.

Goods and services tax

Income, expenses and assets are recognised net of the amount of GST except:

- when the GST incurred on a purchase of goods or services is not recoverable from the Australian Taxation Office, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item applicable; and
- · receivables and payables, which are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the Australian Taxation Office is included as part of receivables or payables in the Statement of Financial Position.

Cash flows are included in the Statement of Cash Flows on a gross basis.

Property, plant and equipment

Recognition

Land, plant and equipment, including buildings and leasehold property have been initially recorded at cost then subsequently revalued to Fair Value.

Revaluations

The Directors consider the value of property plant & equipment annually, with respect to inputs including Valuer-General valuations.

Notes to and forming part of the Financial Statements for the year ended 30 June 2025

2 Leases

The Corporation has leased the State's prescribed electricity assets, infrastructure and other assets on various terms as follows:

Asset	Lessee	Term	Expiry	Type
Land on Grand Trunkway, Torrens Island	AGL Energy Limited	26 years	6 September 2026	Operating
Torrens Island Power Station and land	AGL Energy Limited	100 years	6 June 2100	Finance
Generating Unit and land located at Dry Creek	Engie	100 years	6 June 2100	Finance
Generating Unit and land located at Mintaro	Engie	100 years	6 June 2100	Finance
Generating Unit and land located at Snuggery	Engie	100 years	6 June 2100	Finance
Generating Unit and land located at Port Lincoln	Engie	100 years	6 June 2100	Finance

Operating Lease

The lease agreement was extended for 5 years from 7 September 2021 to 6 September 2026 for \$27,000 plus CPI per annum. AGL Energy Limited has pre paid to 6 September 2025. The annual lease income for 2024-25 was \$31,836.

	2025	2024
	\$'000	\$'000
Operating Lease Receipts:		
Not later than one year	32	31
Later than one year but not later than five years	i_	32
Later than five years	-	_
Total Non-Cancellable Operating Lease Receivables	32	63

AGL has an option to renew the lease for one further term of 5 years commencing 7 September 2026.

If the Corporation proposes to sell any portion of the land during the lease term, AGL has the right of first refusal per the lease agreement.

Finance Leases

Prescribed electricity assets, consisting of generating plant and the land on which the generating plant is located, are leased under finance leases for 100 years. Lease rentals were fully prepaid by each lessee to the Treasurer leaving no residual payments. Prepaid lease rentals received in excess of the book value of the prescribed electricity assets were recognised as profit on the finance lease.

The various lease agreements make provision for the potential sale of these assets in the future, to the lessee, if the Corporation obtains lawful right to sell its right, title and interest in the assets. If this right is not obtained or the lessee's option to purchase is not exercised, the prescribed assets will be returned to the Corporation or its nominee at the end of the lease term. Although at that time an asset will be recognised, no amount has been recognised in the Statement of Financial Position as the realisation of the benefits of this asset is dependent upon a qualifying event occurring.

In the event that the lessee defaults under the respective leases, they are obliged to return the asset to the Corporation. Although at that time an asset will be recognised, no amount has been recognised in the Statement of Financial Position as the likelihood of default eventuating is remote.

Notes to and forming part of the Financial Statements for the year ended 30 June 2025

Under the terms of the Generating Plant and Unit Leases and the Land Leases certain costs of the Corporation that are associated with the operation of the generation plants and units and generation land are able to be reimbursed from the lessees or on charged directly to the lessees.

In the unlikely event that the Corporation defaults under the leases with respect to its legal entitlement to grant the leases, the Corporation is obliged to refund the net present value (as at the termination date) of so much of the post termination date rent obligations as were discharged by the prepaid rents. No amount has been recognised as the likelihood of the Corporation defaulting is remote.

AGL has commenced dismantling the Torrens Island Power Station A generating plant, this is expected to be completed in 2025-26. Once the plant has been dismantled and the underlying land is remediated, the lease will be surrendered by AGL and at this time the land ownership will be transferred to AGL. There is no financial consequence of the lease surrender to the Corporation as the lease proceeds were received upfront at the lease commencement.

3 Directors' remuneration

The names of each person holding the position of Director of Generation Lessor Corporation during the year were:

Timothy Paul Burfield

Chair

Mardi Garrett

Director (from 04 July 2024)

Kristy Dunstan

Director

In accordance with the Department of the Premier and Cabinet Circular no. 016, as the directors are government employees, they did not receive any remuneration for director duties during the financial year.

4 Related party transactions

Related parties of the Corporation include all key management personnel and their close family members; all Cabinet Ministers and their close family members; and all public authorities that are controlled and consolidated into the whole of government financial statements and other interests of the Government.

Key Management Personnel

Key management personnel of the Corporation include the Minister and Directors of the Corporation who have responsibility for the strategic direction and management of the Corporation. No compensation is paid by the Corporation to key management personnel.

Transactions of directors and director-related entities

There were no transactions between the Corporation and director-related entities.

Other related entities

SAFA provides management and insurance services to the Corporation. Additionally, the Corporation has dealings with other Government instrumentalities.

Controlling entity

The Corporation is a subsidiary of the Treasurer of South Australia; the Government of South Australia is the ultimate controlling party.

- Carrying amount at beginning of year	1,220	1,065
- Revaluation increment	60	155
- Carrying amount at end of year	1,280	1,220

Valuation of Land

Independent advice was sought in June 2006 on the appropriate carrying value of the land and easements. The deprivation of access to the land during the term of the finance lease has been considered to extinguish any opportunity to derive further value from the underlying land during the term of the lease.

Network and Non-generation land and easements are held at the market value set by the Valuer General as at 1 January 2025. This resulted in a net revaluation increase of \$235,000.

Notes to and forming part of the Financial Statements for the year ended 30 June 2025

16 Contingent assets and liabilities

The Corporation does not have any contingent assets or liabilities.

17 Economic dependency

The Corporation is an instrumentality of the Crown under the *Crown Proceedings Act 1992*. Accordingly where a final judgement is given against it, a Minister or agency of the Crown may be directed by the Governor to satisfy that judgement. Such a direction constitutes sufficient authority for the appropriation of the money necessary to satisfy the judgement from the General Revenue of the State of South Australia or from the funds of the Corporation. To this extent, the Corporation has the benefit of an implicit guarantee from the State.

A distribution from the Treasurer of South Australia will be available during the 2025-26 financial year, to ensure that the Corporation will be able to meet its liabilities as and when they fall due.

18 Events after balance date

No event has arisen since 30 June 2025 that would be likely to materially affect the operations or the state of affairs of the Corporation.
